Dear Judith Hart,

This is to acknowledge receipt of your Letter of Protest/Comments to the Public Service Commission of South Carolina. Your Letter of Protest/Comments will be placed in the Protest File of the Docket listed below and on the Commission's Website at www.psc.sc.gov.

- Docket No. 2019-281-S - Application of Palmetto Utilities, Incorporated for Adjustment (Increase) of Rates and Charges, Terms and Conditions, for Sewer Service Provided to Customers in Its Richland and Kershaw County Service Areas

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow this Docket and other daily filings made at the Commission by subscribing to the Commission's Email Subscriptions at this link: <https://dms.psc.sc.gov/Web/Email>; or you can follow the individual Docket at the link listed below:

Please visit our website www.psc.sc.gov for further instructions if you would like to testify by Audio or Virtual Public night Hearing.

Subject: [External] Docket 2019-281-S. Letter of Protest Palmetto Utilities Increase

My name is Judith Hart. I live in North East Richland County. I know I speak for many people who are senior citizens and live alone. This rate increase should not be granted. Why should a family of one pay the same as a family of more? Being on a fixed increase, this is a hardship. It is not the fault of the consumer because Palmetto Utilities made a bad business deal. Sewer cost should be based on water usage. Shame on the PSC passes this increase. I surely hope that this COVID19 will not be used to their advantage! Virtual hearings do not have the same effect as an person hearing. Many elderly people can not voice their concerns, as they're not electronically up to date. Thank you for consideration.
